SEMINAR

River of Life

Saturday, April 20, 2024

All the training sessions in Subsai were held successfully, with an approximate total of 300 participants. This was made up of 146 adults and 154 children.

Every team worked excellently. The teams were made up of the children's team, the team of adult participants, and the kitchen team.

For the adult participants, the first session focused on transforming the lives of Christians, while the second session emphasised the importance of resisting the devil's deceitful tactics.

We are grateful to God for the successful completion of all activities.

Before ending the sessions yesterday, we reminded the participants and invited them to join us for the training session that will take place on May 18, 2024.

The Lord bless you.

Schools

MINISTRY

In April 2024, the Love Papua Center blessed 823 children. Throughout the month, the Love Papua Center team organised school outreach programmes in two separate areas: Manokwari City and Warpramasi area.

The most important aspect of every ministry is the preparation and praying together. It is believed that without God's guidance and support, no significant impact can be achieved.

Childrens

MINISTRY

Like arrows in the hand of a warrior, so are the children of one's youth. (Psalms 127:4)

We thank God that, by the grace of our Lord Jesus Christ, the Love Papua Center was able to impact the lives of 1,071 children this month.

In April 2024, Childrens ministry will take place in seven different areas. It's truly a blessing that each area ministered by the Love Papua Center team also offers tutoring by dividing classes according to the age group and ability of the child.

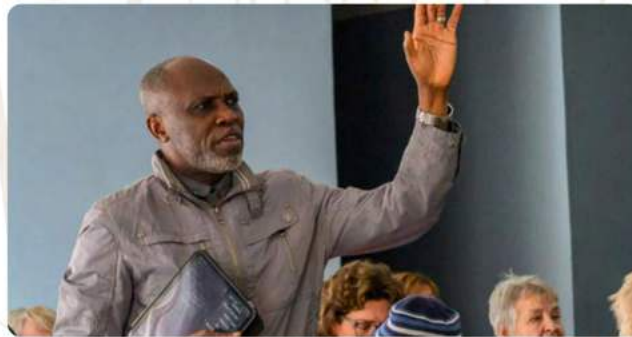

SOUTH AFRICA

trumpet CALL

Praise The Lord, Rev. Dr. Suzette Hattingh had the privilege to minister to our brethren in South Africa through an event called The Trumpet Call, which took place from April 18-20, 2024.

The wider ministry conducted by Rev. Dr. Suzette Hattingh in various regions of the Nation has brought about a positive impact on the people and churches in South Africa.

We give all the glory and honor to the Lord.

THANK YOU

We would like to express our gratitude to the ministry partners of The Love Papua Center who constantly believe in and who generously contribute to and support the outreach ministry in West Papua.

*T*ogether for the harvest
